

Graduate School of Health Science Studies
Master's program

Course	Subject	Units
Common Subjects	Advanced Study on Health Science I	2
	Advanced Study on Health Science II	2
	Advanced Study on Research Method for Health Science I	2
	Advanced Study on Research Method for Health Science II	2
	Advanced Study on Internal Medicine I	2
	Advanced Study on Internal Medicine II	2
	Advanced Study on Pediatrics I	2
	Advanced Study on Pediatrics II	2
	Advanced Study on Comparative Behavioral Study I	2
	Advanced Study on Comparative Behavioral Study II	2
	Advanced Study on Infection Control I	2
	Advanced Study on Infection Control II	2
	Advanced Study on Cytology I	2
	Advanced Study on Cytology II	2
	Advanced Study on Physiology I	2
	Advanced Study on Physiology II	2
Elective	Advanced Study on Basic Nursing I	2
	Practical Training in Advanced Study on Basic Nursing I	
	Advanced Study on Basic Nursing II	
	Practical Training in Advanced Study on Basic Nursing II	
	Advanced Study on Maternal and Pediatrics I	
	Practical Training in Advanced Study on Maternal and Pediatrics I	
	Advanced Study on Maternity and Pediatrics II	
	Practical Training in Advanced Study on Maternal and Pediatrics II	
	Advanced Study on Adult and Geriatric Nursing I	
	Practical Training in Advanced Study on Adult and Geriatric Nursing I	
	Advanced Study on Adult and Geriatric Nursing II	
	Practical Training in Advanced Study on Adult and Geriatric Nursing II	
	Advanced Study on General Health Nursing I	
	Practical Training in Advanced Study on General Health Nursing I	
	Advanced Study on General Health Nursing II	
	Practical Training in Advanced Study on General Health Nursing II	
	Advanced Study on Support for Motor Function Disorder I	
	Practical Training in Advanced Study on Support for Motor Function Disorder I	
	Advanced Study on Support for Motor Function Disorder II	
	Practical Training in Advanced Study on Support for Motor Function Disorder II	
	Advanced Study on Life Dysfunction I	
	Practical Training in Advanced Study on Life Dysfunction I	
	Advanced Study on Life Dysfunction II	
	Practical Training in Advanced Study on Life Dysfunction II	
	Advanced Study on Occupational Dysfunction I	
	Practical Training in Advanced Study on Occupational Dysfunction I	
	Advanced Study on Occupational Dysfunction II	
	Practical Training in Advanced Study on Occupational Dysfunction II	
Advanced Study on Body and Mental Dysfunction I		
Practical Training in Advanced Study on Body and Mental Dysfunction I		
Advanced Study on Body and Mental Dysfunction II		
Practical Training in Advanced Study on Body and Mental Dysfunction II	2	
General	Study of Master's Thesis I	2
	Study of Master's Thesis II	2

Doctoral Program

Course	Subject	Units
Basic Health Science	Advanced Study on Molecular Biology	2
	Advanced Study on Cytology	2
	Advanced Study on Physiology	2
Clinical Health Science	Advanced Study on Kinesiology	2
	Advanced Study on Assessment of Disability	2
	Advanced Study on Functional Recovery	2
Regional Health Science	Advanced Study on Rehabilitation Assistance	2
	Advanced Study on Disabled Function	2
	Advanced Study on Supporting Independence	2
Nursing	Advanced Study on Nursing	2
Advanced Study on Health Science		12
